~~SECRET~~

7 December 1982

MEMORANDUM FOR: DCI

FROM: [REDACTED]

25X1

SUBJECT: STAP Meeting

1. STAP plans to discuss its role, and offer its suggestions, regarding the content, development, and production of NIE 11-12-83, Soviet Military Technology and R&D.

-- The attached memo from [REDACTED] explains where the NIE stands now.

25X1

2. The two-day STAP meeting will focus on several issues including:

-- Soviet activities in space

-- [REDACTED]

25X1

25X1

3. The attached from [REDACTED] deals with [REDACTED] in the [REDACTED]. Also attached are recent publications on [REDACTED] telemetry and on the Soviets in space. I gather this last item is one that STAP is especially interested in talking about.
